**PASSENGER FORM FOR
ALL JOURNALISM STUDENTS**

To: Parents of journalism students who do not drive cars to school, or who intend to be passengers in another student's car to drive off campus for journalism.

From: Steve Gibbs, journalism advisor

RE: Permission to leave campus with a student driver effective from date of signature to end of school year.

Occasions may arise when a journalism student will need to leave campus to make direct contact with our merchant advertisers or to conduct interviews while researching a story . With parent permission your child may travel as a passenger in cars of designated student drivers. Designated drivers are journalism students who have on file documented proof of liability insurance, acceptance of liability, and parent permission.

To grant this request the school must have a signature of permission which waives Benicia High School and the journalism advisor's liability toward any accidents resulting while your child is being transported by designated student drivers.

This form requires the signature of the parent or legal guardian
